Sir,

Adverting to correspondence ending with your letter No.335 dated 9th May 1916 forwarding a copy of the resolution of the Municipal Council regarding the Municipal share of the cost of the scheme for the improvements of the Palace Upparahalli and Dobbspet, I am directed to observe that the area being included within the Municipal limits, the Municipality should bear the entire cost of the improvements Having regard, however, to the urgency and importance of the work, Government have agreed to contribute a moiety of the cost and this they consider sufficient.

2. The Municipal Council urge that the large outlay on improvements has been necessitated by the prohibition contained in the Government Order of 1892 and that, therefore, the Government should bear the whole cost of the scheme. Government do not agree in this view, as it was open to the Municipal Council at any time to have suggested improvements to the locality and obtained special sanction for the same
